

## Mid-Level Practitioners NP's, PA's, CNM's, CPM's

### Policy

AllWays Health Partners reimburses participating Nurse Practitioners, Physician Assistants and Certified Nurse Midwives for medically necessary services for the diagnosis, treatment, and prevention of disease, and for the maintenance of the health of AllWays Health Partners members.

AllWays Health Partners does not currently recognize NP's and PA's as hospitalists.

### Reimbursement

Providers are reimbursed in accordance with the plan's network provider reimbursement or contracted rates. Claims are subject to payment edits, which are updated at regular intervals.

Covered services are defined by the member's benefit plan. The manner in which covered services are reimbursed is determined by the AllWays Health Partners Payment Policy and by the provider's agreement with AllWays Health Partners. Member liability amounts may include, but are not limited to: copayments, deductible(s), and/or co-insurance, and will be applied dependent upon the member's benefit plan.

Various services and procedures require referral and/or prior authorization. Referral and prior authorization requirements can be located [here](#).

Please reference procedure codes from the current CPT, HCPCS Level II, and ICD-10-CM manuals, as recommended by the American Medical Association (AMA), the Centers for Medicare & Medicaid Services (CMS), and the American Hospital Association. CMS and the AMA revise HIPAA medical codes on a pre-determined basis, including changes to CPT, HCPCS, and ICD-10 codes and definitions.

Please refer to the CMS or CPT guidelines for requisite modifier usage when reporting services. The absence or presence of a modifier may result in differential claim payment or denial.

AllWays Health Partners reviews claims to determine eligibility for payment. Services considered incidental, mutually exclusive, integral to the primary service rendered, or part of a global allowance, are not eligible for separate reimbursement. This is the General Coding and Billing PPG. All claims are subject to audit, and AllWays Health Partners may request medical records from the provider.

This document is designed for informational purposes only. Claims payment is subject to member eligibility and benefits on the date of service, coordination of benefits, referral/authorization/notification and utilization management guidelines when applicable, adherence to plan policies and procedures, claims editing logic, and provider contractual agreement. In the event of a conflict between this payment guideline and the provider’s agreement, the terms and conditions of the provider’s agreement shall prevail. Payment policies are intended to assist providers in obtaining AllWays Health Partners ' payment information. Payment policy determines the rationale by which a submitted claim for service is processed and paid. Payment policy formulation takes into consideration a variety of factors including: the terms of the participating providers 'contract(s); scope of benefits included in a given member’s benefit plan; clinical rationale, industry-standard procedure code edits, and industry-standard coding conventions.
