Overview
The purpose of this document is to describe the guidelines AllWays Health Partners utilizes to determine medical appropriateness for bone growth stimulation. Coverage for the use of bone growth stimulation requires prior authorization. AllWays Health Partners does not cover invasive electrical bone growth stimulators.

Coverage Guidelines
Medical necessity for bone growth stimulators is determined through InterQual® criteria. To access the InterQual® Criteria Lookup Tool, log in to AllWays Health Partners’ Provider website at allwaysprovider.org. AllWays Health Partners covers certain types of bone growth stimulation when recommended by the member’s primary care provider or referring specialist and when the request meets medical necessity criteria.

CPT/HCPCS Codes
