CHILDBIRTH EDUCATION REIMBURSEMENT ELIGIBILITY GUIDELINES

- Childbirth education classes are often offered free of charge at many primary care sites and hospitals. Additional information on how to enroll may be available from the provider caring for you during your pregnancy or the facility where you are scheduled to deliver. Otherwise, Mass General Brigham Health Plan will reimburse you for the cost of these classes up to \$130.00 per pregnancy.
- Coverage includes childbirth education classes, in addition to parenting and infant CPR classes. You may combine multiple classes up to the \$130 limit per pregnancy. For example, you can request to be reimbursed for a \$70 childbirth class plus a \$60 CPR class.
- Eligibility is limited to Mass General Brigham Health Plan members enrolled at the time that the class was completed.
- Check will be made payable to the Subscriber of the policy. Please allow 30 business days for processing.
- **To be eligible for reimbursement, requests must be made by March 31 of the following calendar year.**
