What could your members do with an extra \$1,745 or more?

See how one GIC member's family uses Complete HMO's flexible benefits to save \$1,075 in premiums plus MORE.

Premium Savings'

GIC member Mia chooses AllWays Health Partners because the network competes with other GIC plans, but her family saves \$90 per month.

90 x 12 = \$1,075

Choosing a Tier 1 Specialist

When Mia chooses a Tier 1 specialist for her knee replacement, she saves \$30 on her copay. With three follow-up visits post surgery, that's an additional savings of \$90.

\$1075 + \$120 = \$1,195

Vision Discount

Mia uses her vision discount to get her son's glasses for \$50 less than she paid before joining AllWays Health Partners.

\$1,195 + \$50 = \$1,245

Fitness Benefit

Mia requests her fitness benefit reimbursement and gets \$300 for her and her husband's gym membership.

\$1,245 + \$300 = \$1,545

\$15 Copay for Partners HealthCare On Demand

This plan come with a special benefit: access to 24/7 interactive video visits with Partners HealthCare providers for only a \$15 copay. If Mia's daughter gets sick at night, this saves her \$85 over the \$100 ER copay. (assumes deductible is met)

\$1,545 + \$85 = \$1,630

Bike Helmet Reimbursement

Mia gets a new bike helmet and uses AllWays Health Partners bike helmet reimbursement to get \$15 back.

\$1,630 + \$15 = \$1,645

Outpatient surgery at an Ambulatory Surgical Center

Mia's husband has his cataract surgery at an ambulatory surgical center close to home. He saves \$100 in copay versus having the same procedure at a hospital.

\$1.645 + \$100 = \$1.745

What would you do with an extra

\$1,745

Partners HealthCare On Demand is NOT for medical emergencies. For medical emergencies, call 911.
