Drug Recall

DATE OF RECALL: December 16, 2019

DRUG NAME: Gamunex®-C 10%

RECALLING FIRM: Grifols Therapeutics

REASON FOR RECALL: This withdrawal is being conducted due to a higher rate of allergic/hypersensitivity reactions, a smaller number of which were considered medically significant. Hypersensitivity and anaphylactic/anaphylactoid reactions are a known risk with IVIG products.

FDA LINK: N/A

OTHER DETAILS: N/A
