

Drug Recall

DATE OF RECALL: October 18, 2022

DRUG NAME: Ready-to-Feed Liquid Products (Similac)

RECALLING FIRM: Abbott

REASON FOR RECALL: This recall was issued because a small percentage of bottles (less than 1%) in the recalled lots have bottle caps that may not have sealed completely, which could result in spoilage. If spoiled product is consumed, gastrointestinal symptoms such as diarrhea and vomiting may occur.
