

Included in your plan:
Real savings on your
medicine cabinet essentials

Pay nothing, or only your plan's cost sharing, for many routine Over-the-Counter (OTC) drugs with a prescription.

Using your OTC benefit is easy

Here's how you do it: Get a prescription for any of the products below (for a supply of up to 90 days for select drugs) from your provider. Bring your prescription to any in-network pharmacy. Your pharmacist will make sure you get the right product and price. Please note that quantity limits and age limits apply and generic products will be prescribed when available.

OTC drugs you can get at **no cost** with a prescription:
