Comprehensive benefits that are simple to understand and easy to use

NEW! Care Complement

Now there’s an option to enhance some of our Prime Solutions plans with Care Complement. This benefit design eliminates financial barriers to: ensure members are getting the care they need, assist in reducing the reliance on narcotics by promoting therapy visits, and improve or maintain illnesses such as heart disease and diabetes to stay healthy.

$0 cost sharing for the following when you choose Care Complement:

- 11 common prescriptions to treat chronic conditions, such as depression, diabetes, high cholesterol, and high blood pressure
- Cardiac rehabilitation therapy
- Medication assisted therapy office visits and certain prescription medications
- The first 6 physical/occupational therapy and chiropractic visits
- New for 2018 and only with Care Complement: first 6 acupuncture visits (benefit limit of 20 visits)
- Diabetes education & nutritional counseling

Medical Benefits (Outpatient, Inpatient, Other)

- No limits for Mental Health/Substance Use outpatient office visits or inpatient admissions
- Physical/Occupational therapy: Coverage up to 100 combined visits per benefit period
- Childbirth education class reimbursement: $130 per pregnancy

Embedded Deductible and/or Out-of-Pocket Maximum

All members are responsible for the individual deductible per benefit period. The family deductible can be satisfied by combining the deductibles paid by covered family members. With family coverage, the family out-of-pocket maximum is satisfied by combining the deductibles, coinsurance, and copayment amounts paid by covered family members. A covered family member will not exceed the individual maximum out-of-pocket amount.

Aggregate Deductible

With family coverage, the individual deductible amount does not apply. The entire family deductible amount must be met before benefits are payable for anyone in the family.

All Prime Solutions Plans Include:

- Fitness benefit: One month gym membership fee (covers a minimum of $150 per policy)*
- Weight loss benefit: Up to 6 months of membership at Weight Watchers or Jenny Craig†
- Access to AllWays Health Partners’ comprehensive network of providers
- No limits for Mental Health/Substance Use outpatient office visits or inpatient admissions
- Physical/Occupational therapy: Coverage up to 100 combined visits per benefit period
- Childbirth education class reimbursement: $130 per pregnancy

Pharmacy Benefits

AllWays Health Partners requires that members receive maintenance medications in a 90-day supply through the Maintenance 90-Day Supply program. Members can fill their maintenance medications in two convenient ways:

- For members who prefer the convenience of receiving their prescriptions through the mail, certain maintenance medications are available through our Mail Order Pharmacy.
- Access 90 provides members with a 90-day supply of certain maintenance medications when purchased through participating pharmacies.

*One per policy (either subscriber or dependent)† Weight loss membership benefit excludes food
