AlliesSM HMO Newton-Wellesley Hospital Community Plus Plans

Effective October 1, 2020

- Costs up to 20% less than our full-network plans
- Newton-Wellesley Hospital (NWH), the highest-ranking community hospital in Massachusetts*, and its PCPs and specialists, are the centerpiece of the offering
- Dedicated health navigators oversee seamless care experiences for members and providers
- Members get access to NWH's PCPs and specialists with areas of expertise including cardiology, oncology, maternity services and women's health, sports medicine, and more
- Convenient and easy-to-access virtual visits are available with select primary and specialty care providers—and for mental health and 24/7 urgent care issues
- Members who select the Virtual Primary Care Group option enjoy the convenience of virtual visits, can see a provider within one business day, pay \$0 visit copays, and do online scheduling. Of course, office visits are available, when needed.
- When a patient needs complex care, world-class academic and teaching hospitals like Massachusetts General Hospital and Brigham and Women's Hospital are in-network with no tiering

IMPORTANT NOTICE: These plans include a limited provider network called Newton-Wellesley Hospital Community Plus. These plans provide access to a network that is smaller than AllWays Health Partners' full commercial HMO provider network. In these plans, members have access to network benefits only from the providers in the Newton-Wellesley Hospital Community Plus network. Please consult the Newton-Wellesley Hospital Community Plus provider directory or visit the provider search tool at allwayshealthpartners.org to determine which providers are included in the Newton-Wellesley Hospital Community Plus Network.
